The School Improvement Plan is based on National Improvement Framework (NIF) priorities and drivers. Our plan consists of a small number of key priorities, expressed as measurable and achievable outcomes for learners.

- Placing the human rights and needs of every child and young person at the centre of education
- Improvement in children and young people's health and wellbeing
- Closing the attainment gap between the most and least disadvantaged children and young people
- Improvement in skills and sustained, positive school-leaver destinations for all young people
- Improvement in attainment, particularly in literacy and numeracy
