FAO Parents/Carers of Pupils in S3

Dear Parent/Carer

S3 SNSA Assessments

During the month of October, commencing Wednesday 5th October, all of our S3 pupils will undertake online baseline assessments during the school day.

This new system of National Standardised Assessments (NSA) has been introduced by the Scottish Government and will focus on aspects of reading, writing and numeracy. Pupils do not have to revise or prepare for these assessments. They are designed to be used as part of normal learning and teaching and the information they provide will be used in the same way as other assessment information, which arises from day to day classes/lessons.

The NSA assessments are designed to be appropriate for use with all children, including those who require additional support.

If you require any further information, then please do not hesitate to contact the school to speak to Mrs Thomson Depute Head Teacher.

Kind Regards

Mr S McGuckin
Head Teacher
