

4.12.2023

Dear Parents/Carers,

I am writing to inform you about the upcoming assessment period and the schedule for your young person's assessments at Alloa Academy. During this time, we have planned the following arrangements for your young person's convenience and academic support.

On the day of the assessment, if young people have an assessment scheduled in the morning, they will be free to go home in the afternoon. If any young person has an assessment scheduled in the afternoon, there will be no need for them to come into school in the morning. However, if they do plan to come to school, they should sign in and out at the school office and they should follow their normal timetable.

Please note that our teaching staff will not be covering new material during this period. Instead, they will be available during their normal class times to offer support for their revision and provide an opportunity to catch up on any coursework or assignments.

We believe that this approach will provide the young people of Alloa Academy with the necessary support to excel in their assessments and ensure they are well-prepared for their final exams.

If you have any questions or concerns regarding the assessment period, please do not hesitate to get in touch with us.

Thank you for your continued support in your young person's education.

Yours Sincerely

Iaian Kirkpatrick

DHT and S3 Year Head
