Reporting a Pupils Absence

If pupils are absent from school or have an appointment, please contact the school as soon as possible. There are a variety of ways to contact us. Either via the 24hr Attendance Line on 01259 452311, option 2 and leave a clear message, send a text message to 07860 029274, or inform us via the school Attendance Email. Please start a new email each time and send to clalloa-attendance@glow.sch.uk Please provide the following details for any absence; Parents/Carers name, Pupil's name, Pupils Reg class and reason for absence. Stating a pupil will not be in is not sufficient. Please be aware no response will be sent unless we need to reply to a message with information, however please be assured that any appropriate action will have been taken.

Please note that pupils will only be coded for that particular day if they are unwell, therefore you must contact the school on a daily basis, unless you have stated how long the pupil will be absent for and their expected date of return. Reporting absences will ensure that pupils records are kept up to date and accurate.

If a Pupil is feeling unwell at school

If pupils feel unwell at school, please ensure they are aware that they must come to the school office so the office can contact home. An out of school pass will then be issued and their absence coded accordingly. If they have already contacted you directly, please be aware that the office are still required to call home.

If a Pupil has an Appointment

If pupils have an appointment, we require to be made aware of this in advance in order that the office can issue an out of school pass. If the appointment is during class time, teachers may not allow pupils out of class without this pass.

If a Pupil is Late to School

If pupils are late to school, please ensure they sign in at the main school office. Please be aware that if pupils are late to school, you will still receive a Groupcall message to say they have not registered at the start of the school day, which begins at 8:50am or have not registered at the start of the afternoon session, Period 5, which begins at 1:05pm.

Parentpay

ParentPay/Lunch Account – Please ensure that pupils have enough money in their school lunch accounts. Money can be paid into this via ParentPay <https://app.parentpay.com/public/client/security/v2/#/login> (please do this well in advance, as sometimes it can take time to show on our system) or cash can be put into the machines which are located within the school. If there are any issues when trying to put money into the machines, please ask your pupil to come to the office. Please note, that catering staff will not accept cash at the canteen.

The safety and well-being of all our pupils is of utmost importance and we thank you for your continued support and co-operation
